

Asher Gray

about me

What exactly is an “Asher Gray?”

Hi, I’m Asher Gray. I’m an aspiring author and I love linguistics, classic mythology, religion, music, and, of course, writing.

What are you working on right now, Asher?

Currently, I’m working on having beta readers edit my book, *Hell Fire*. Then I will work on publishing it. I also am writing the prequel to *Hell Fire*, which is called *Descent*.

Why should I care about Hell Fire?

As you, a reader, may know, there is a significant gap in the world of literature when it comes to representation of people of color, the LGBTQ+ community, and other minorities. My writing combines underrepresented perspectives with classic myths, fantasy, horror, and comedy.

How can I contact you?

I can be contacted via my email, realashergray@gmail.com, or on Tumblr @realashergray or Twitter @AsherGray5 if that’s better for you.

What is the best way to support the cause?

If you would like to support me, I would really appreciate your promotion of my work and my website. The more people who know about me, the better it is for *Hell Fire* and my other future work. You can talk about Hell Fire on social media, tell people about it, and share my website.
